

Inspection visit

Many of our properties qualify for a short 3 to 4 Day visit, which are subsidised by our associates at an average cost of £120.00 per person (usually a maximum 2 people). This includes; return flights, accommodation on a B/B basis. Flights normally take place from Gatwick, Heathrow and Manchester on either a Wednesday or Sunday.

This is achieved through their team of dedicated, highly trained, employed staff who will assist in accommodating your individual needs and requirements.

Please note; all of our short inspection visits are on a one to one basis with a property consultant and you will not be involved with groups or mixed parties.
