

## Standard or Turnkey?

Oasis Marina apartments are sold with the option of 2 finishing styles. With the Standard option you will receive your apartment completely finished with kitchen and air-conditioning units installed. All you need will be your furnishing to move in!

With Turnkey finishing you will receive your apartment not only finished but fully furnished and equipped. This option allows owners to immediately move into their apartment upon delivery. Ideal for the serious investors!

All apartments will be delivered with polished ceramic floors; tiling in the kitchen and bath rooms; windows and doors installed; split unit air conditioners in bedrooms and living room; electrical installations; pre-installation for telephone and satellite; fitted base kitchen base units with stainless steel sink and granite worktops and mixer taps and white porcelain bathroom fittings.
